

Solar Panel Mast Mount Structure

SMM1050G

Technical Specifications

Product Code	SMM1050G
Description	T-Pole Solar Mast Mount (Side mount) - S 355 steel
Panel sizes	30W—100W (All solar module brands)
Module mountings	Aluminium H-Channel with stainless steel End-brackets
Support arms	No
Bracket strength	+200kg
Structure weight	10.6kG
Protection	Inland—Electroplate Galvanize (3 days lead-time) Coastal—Hot Dipped Galvanize (3 weeks lead-time) SANS121/SABS 1461 Specifications- SABS approved Galvaniser
Fit pole diameter (mm)	101, 114, 127, 139, 152, 165, 177, 193
