

# Solar Panel Mast Mount Structure

## SMM1090G

### Technical Specifications

<b>Product Code</b>	SMM1090G
<b>Description</b>	T-Pole Solar Mast Mount (Side mount) - S 355 steel
<b>Panel sizes</b>	80W—160W (All solar module brands)
<b>Module mountings</b>	Aluminium H-Channel with stainless steel End-brackets
<b>Support arms</b>	No
<b>Bracket strength</b>	+200kg
<b>Structure weight</b>	11.1kG
<b>Protection</b>	Inland—Electroplate Galvanize (3 days lead-time) Coastal—Hot Dipped Galvanize (3 weeks lead-time) SANS121/SABS 1461 Specifications- SABS approved Galvaniser
<b>Fit pole diameter (mm)</b>	101, 114, 127, 139, 152, 165, 177, 193
